

Creación perfil.

A mobile application interface for profile creation. The screen is framed by a light gray border with rounded corners. At the top, there is a status bar with a small circle and a horizontal line. Below this, a white rectangular area contains the form. The form has a title 'Creación perfil' in a rounded rectangle. It consists of several input fields: 'Nombre' and 'Apellidos' in a two-column layout; 'Tipo ID' with a dropdown arrow and '# ID'; '* e-mail' and '# Celular' in another two-column layout; and 'Tipo de usuario' with a dropdown arrow. Below these fields is a checkbox labeled 'Términos y condiciones'. At the bottom of the form is a 'Vender' button. The entire form is set against a light gray background.

ELIMINAR MI CUENTA

Publicar (campesino).

A mobile application interface for publishing a product. The screen is framed by a light gray border representing the phone's bezel. At the top, there is a status bar with a small circle and a horizontal line. The main content area is white and contains the following elements: a text input field labeled "Nombre producto" at the top; a large empty rectangular box for an image below it; a row of two input fields, "Cantidad" and "Unidades" (with a dropdown arrow), below the image box; a single input field labeled "Precio" below "Cantidad"; a row of two input fields, "Depto" (with a dropdown arrow) and "Municipio" (with a dropdown arrow), below "Precio"; and a large gray button labeled "Vender" at the bottom center. The bottom of the screen features a circular home button.

Acciones perfil (comprador).

A mobile app interface for profile settings. At the top, a header bar contains the text "Agroapp" in red. Below this is a placeholder for a user profile picture. The main content area consists of several stacked rectangular buttons with rounded corners. These buttons are labeled: "Nombre de usuario:", "Número de celular:", "Métodos de pago" (with a dropdown arrow), "Historial transacciones:", "Obtener ayuda", "Notificaciones" (with a green toggle switch to its right), "Configuración", "Regresar", "Editar perfil", and "ELIMINAR CUENTA" (in red text). The entire interface is framed by a light gray border representing a smartphone, with a circular home button at the bottom.

Elegir productos (comprador).

Ver carrito (comprador).

Pagar (comprador).

A mockup of a mobile application interface for a payment screen. The screen is framed by a light gray border representing a smartphone. At the top, there is a header bar with the text "Agroapp" in red on the left and a downward-pointing triangle icon on the right. Below the header, there are two product entries. Each entry consists of a square placeholder image on the left and the product name on the right: "Producto 1" and "Producto 2". Below these, there is a summary box containing three lines of text: "Total productos: \$", "Transporte: \$", and "Total a pagar: \$". Under the summary box, there are two input fields: "Dirección de entrega" and a dropdown menu currently showing "Mpio" with a downward arrow. Below these is another dropdown menu labeled "Método de pago" with a downward arrow. At the bottom of the form area is a text box labeled "Si aplica: Datos TC, botón PSE". At the very bottom of the screen is a large, light gray button labeled "Pagar".

Aceptar transporte.

The image shows a mobile application interface for accepting transport. At the top, there is a header bar with the text "Agroapp" in red. Below this is a map view with a location pin. Under the map, there are two input fields labeled "Origen:" and "Destino:". Below these are two rows of user information, each with a silhouette icon, the text "Vendedor" or "Comprador", a phone icon, and a "Contactar" button. Below this is a section titled "Resumen productos" containing two lines of text: "Producto 1 / cantidad / peso" and "Producto 1 / cantidad / peso". Below this is a date field showing "07/29/2020" with a calendar icon. Below the date is a field showing "Importe: \$\$\$\$\$\$". At the bottom, there are two buttons: "Aceptar" and "Rechazar".

Calificación campesino (comprador).

The image shows a smartphone screen with the 'Agroapp' interface. At the top, the app name 'Agroapp' is in a red box. Below it, a text box asks the user to rate products and service. There are three rows of rating options, each with a placeholder icon and a five-star rating system. The middle row, featuring a landscape icon, is highlighted with a blue border. The bottom row features a person icon. Below the ratings is a text area for comments and a green 'ENVIAR CALIFICACIÓN' button.

ENVIAR CALIFICACIÓN

Calificación transportador (campesino y comprador).

The image shows a smartphone screen with the 'Agroapp' interface for rating a transporter. At the top, the app name 'Agroapp' is displayed in red. Below it, a text box asks the user to 'Califica el servicio y la atención de este transportador.' (Rate the service and attention of this transporter). Underneath the text is a placeholder for a profile picture (a silhouette) and a five-star rating system, with the first three stars filled and the last two as outlines. Below the stars is a text input field labeled 'Comentarios y/o sugerencias:' (Comments and/or suggestions:). At the bottom of the form is a green button labeled 'ENVIAR CALIFICACIÓN' (SEND RATING).
